Campuswide Honors Collegium House

All residents are members of the Campuswide Honors Collegium. Although they represent a cross section of all majors, they share a common honors curriculum and thus a common educational experience that binds them uniquely together. Honors students bring their vitality, creativity, and dedication to learning to this community, sharing activities which explore their widely divergent interests, foster intellectual growth and discussion, develop student/faculty contacts, and challenge them to broaden their horizons. Active standing CHC students with a GPA appropriate to their class level may apply for the house.
