Important Housing Contract Information

Your housing contract is a legally binding agreement for the duration of the ENTIRE ACADEMIC YEAR, including fall, winter, and spring quarters, 2023-2024. You are required to follow certain steps to cancel (prior to occupancy or contract start date) or terminate (after occupancy or contract start date). You are financially responsible for your contract until cancellation or termination has been approved. Visit the [Contract Cancellation webpage](#) for additional information. To maintain eligibility for housing, you must be a regularly enrolled, full time, registered UCI STUDENT as defined by UCI Office of the Registrar for the term of this contract. Call the ME Housing Office at [\(949\) 824-5976](tel:(949)824-5976) or Housing Admin Services at [\(949\) 824-6811](tel:(949)824-6811) for further clarification.

Winter Break

While we hope that all students are able to enjoy winter break away from campus, residents will have access to their rooms over the break. There is no additional cost for remaining in housing during the break, but service levels will be modified. Housing staff will be present to ensure safety/security and manage building maintenance issues.
