Rules for Bicyclists - There is only one road and it is up to bicyclists and motorists to treat each other with care and respect. When riding on any roadway, a bicycle rider has all of the rights and responsibilities of any vehicle and is subject to the same rules and regulations.

Bicyclists must obey STOP signs and red signal lights. It is a good idea to stop for yellow lights too – rushing through a yellow light may not leave you enough time to make it across the intersection before the light changes. They must also yield to pedestrians in the crosswalk.

Make sure they can see you and your bicycle at night - In California - a white headlight visible from the front must be attached to the bicycle or the bicyclist (CVC 21201(d)). At night, bicycles must have a red reflector in the back and white or yellow reflector on each pedal or on the bicyclist’s shoes or ankles.

Returning Keys during the Holiday Break
The after hours drop box for various key returns is located outside the Palo Verde office door. Returning a loaner key, room reservation key, or a move-out key is the sole responsibility of the person that signed for the key. Loaner keys and room reservation keys do not require envelopes, just lift the lid and drop the keys in. To return move-out keys, please complete one of the envelopes provided and place it in the box.

During the holiday break, the After Hours Assistants will be collecting the keys from the drop box on a regular basis.

Please Bring Your Trash to the Dumpster
Please take the trash from your apartment to the garbage and recycling bins provided in the dumpster areas located in the parking lot. DO NOT place your trash outside your front door, on stairways or landings, in trash containers by the grills, in any laundry rooms, mailbox areas, or any other common areas other than in the dumpsters.

Thank you for helping us keep the landscape, common areas, and shared areas of our community as clean and safe as possible and in compliance with the Fire and Safety requirements.
